PRESS RELEASE

LENS REFLEX

CURATED BY STEVEN BALDI

MARCH 14 – APRIL 19, 2014

OPENING RECEPTION FRIDAY, MARCH 14
6:00 – 9:00 PM

Thomas Duncan Gallery is pleased to present an exhibition curated by Steven Baldi, featuring works by Zoë Ghertner, Jacob Kassay, Stephen Prina, Eileen Quinlan, H. Armstrong Roberts and Torbjørn Rødland.

Lens reflex brings together a group of works that I feel employs a sensitivity to the camera as a tool and a sensual use of the photographic apparatus. The works selected both allow and utilize the tool's ability to create a tertiary, magic-like presence within the objects it creates. The exhibition attempts to indirectly address the specificity of the camera and the mechanical process that produces an object which is separate yet tied to it.
